POLICIES AND PROCEDURES FOR CROSS ENROLLMENT

with California State University (CSU) and University of California (UC)

ELIGIBILITY REQUIREMENTS:

California residents currently enrolled at a California Community College may enroll in one undergraduate course per academic term at any CSU or UC campus without formal admission and without payment of additional State University fees. Cross Enrollment through this program is on a space-available basis at the discretion of the appropriate campus authorities at the CSU or UC campus. Students may not enroll in any pre-collegiate courses at the university.

To participate in Cross Enrollment, students must meet all of the following requirements:

- **Completed at least one term at the home campus as a matriculated student**
- **Earned a grade point average of at least 2.0 for all coursework completed**
- **Enrolled in at least 6 units for the current term**
- **Paid appropriate fees at home campus for the current term**
- **Completed appropriate academic preparation as determined by the host campus**
- **Be a California resident**

ENROLLMENT CONDITIONS:

1. Approval for cross enrollment is valid for only the one term specified and is subject to space availability, deadlines, registration procedures and priorities of the host campus. You must reapply for each term you wish to cross enroll.
2. You will not be charged additional course enrollment fees. However, host campuses may charge an administration fee each term.
3. You will have to pay any additional fees required of other students (labs, materials, breakage, computer access, etc.).
4. Academic advisement is available at the home campus. Evidence of completion of course prerequisites may be required at the time of enrollment (student transcripts or official grade reports).
5. Financial aid is available only through your home campus. Students eligible for veterans, rehabilitation, Social Security, and other federal, state, or county benefits must secure eligibility certification through the home campus. Units taken at both campuses may be combined to establish financial aid.
6. Students are urged to secure approval of a home campus advisor to ensure course meets home campus requirements.
7. Evidence of completion of course prerequisites may be required at time of enrollment at the host campus (personal transcript copy or grade reports).
8. Records of credit earned through cross enrollment are maintained by the host campus. Students may request transcripts to be sent to the home campus.
9. Health services on the host campus are limited to treatment for emergencies.
10. Because of overlapping academic calendars, cross enrollment is possible only in certain combinations.
